WORKERS' COMPENSATION

WORKERS' COMPENSATION

is a system of benefits provided by law to most workers who have job-related injuries or illnesses. Benefits are paid for injuries that are caused, in whole or in part, by an employee's work. This may include the aggravation of a pre-existing condition, injuries brought on by the repetitive use of a part of the body, heart attacks, or any other physical problem caused by work. Benefits are paid regardless of fault.

IF YOU HAVE A WORK-RELATED INJURY OR ILLNESS, TAKE THE FOLLOWING STEPS:

1. GET MEDICAL ASSISTANCE. By law, your employer must pay for all necessary medical services required to cure or relieve the effects of the injury or illness. Where necessary, the employer must also pay for physical, mental, or vocational rehabilitation, within prescribed limits. The employee may choose two physicians, surgeons, or hospitals. If the employer notifies you that it has an approved Preferred Provider Program for workers' compensation, the PPP counts as one of your two choices of providers.

2. NOTIFY YOUR EMPLOYER. You must notify your employer of the accidental injury or illness within 45 days, either orally or in writing. To avoid possible delays, it is recommended the notice also include your name, address, telephone number, Social Security number, and a brief description of the injury or illness.

3. LEARN YOUR RIGHTS. Your employer is required by law to report accidents that result in more than three lost work days to the Workers' Compensation Commission. Once the accident is reported, you should receive a handbook that explains the law, benefits, and procedures. If you need a handbook, please call the Commission or go to the Web site.

If you must lose time from work to recover from the injury or illness, you may be entitled to receive weekly payments and necessary medical care until you are able to return to work that is reasonably available to you.

It is against the law for an employer to harass, discharge, refuse to rehire or in any way discriminate against an employee for exercising his or her rights under the Workers' Compensation or Occupational Diseases Acts. If you file a fraudulent claim, you may be penalized under the law.

4. KEEP WITHIN THE TIME LIMITS. Generally, claims must be filed within three years of the injury or disablement from an occupational disease, or within two years of the last workers' compensation payment, whichever is later. Claims for pneumoconiosis, radiological exposure, asbestosis, or similar diseases have special requirements.

Injured workers have the right to reopen their case within 30 months after an award is made if the disability increases, but cases that are resolved by a lump-sum settlement contract approved by the Commission cannot be reopened. Only settlements approved by the Commission are binding.

UNEMPLOYMENT INSURANCE

Illinois Department of Employment Security

NOTICE to workers about Unemployment Insurance Benefits

THE POSTING OF THIS NOTICE IS REQUIRED BY THE ILLINOIS UNEMPLOYMENT INSURANCE ACT.

FILING A CLAIM

The Illinois Unemployment Insurance Act provides for the payment of benefits to eligible unemployed workers and for the collection of employer contributions from liable employers. It is designed to provide living expenses while new employment is sought. Claims should be filed as soon as possible after separation from employment. Claims can be filed online at www.ides.illinois.gov or at the nearest Illinois Department of Employment Security office to the worker's home. To be eligible for benefits, an unemployed individual must be available for work, able to work and actively seeking work and, in addition, must not be disqualified under any provisions of the Illinois Unemployment Insurance Act.

Each employer shall deliver the pamphlet "What Every Worker Should Know About Unemployment Insurance" to each worker separated from employment for an expected duration of seven or more days. The pamphlet shall be delivered to the worker at the time of separation or, if delivery is impracticable, mailed within five days after the date of the separation to the worker's last known address. Pamphlets shall be supplied by the Illinois Department of Employment Security to each employer without cost.

A claimant may also be entitled to receive, in addition to the weekly benefit amount, an allowance for a non-working spouse or a dependent child or children. The allowance is a percentage of the average weekly wage of the claimant at his or her base period. The weekly benefit amount plus any allowance for a dependent make up the total amount payable.

If, during a calendar week an employee does not work full-time because of lack of work, he or she may be eligible for partial benefits if the wages earned in such calendar week are less than his or her weekly benefit amount. For any such week, employers should provide employees with a statement of "low earnings" which should be taken to their Illinois Department of Employment Security office.

NOTE: Illinois unemployment insurance benefits are paid from a trust fund to which only employers contribute. No deductions may be made from the wages of workers for this purpose.

Unemployment insurance information is available from any Illinois Department of Employment Security office. To locate the office nearest you, call 1-800-244-5631 or access the location through our website at www.ides.illinois.gov.

BENEFITS

Every claimant who files a new claim for unemployment insurance benefits must serve an unpaid waiting week for which he has filed and is otherwise eligible.

The claimant's weekly benefit amount is usually a percentage of the worker's average weekly wage. The worker's average weekly wage is computed by dividing the wages paid during the two highest quarters of the base period by 26. The maximum weekly benefit amount is a percentage of the statewide average weekly wage. The minimum weekly benefit amount is \$51. The statewide average weekly wage is calculated each year.

If Your Benefit Year Begins: **Your Base Period Will Be:**

This year between: **Last year between:**
Jan. 1 and March 31 Jan. 1 and Dec. 31

This year between: **Last year between:**
April 1 and June 30 Jan. 1 and Sept. 30 and the year before between Oct. 1 and Dec. 31

This year between: **Last year between:**
July 1 and Sept. 30 April 1 and Dec. 31 and this year between Jan. 1 and March 31

This year between: **Last year between:**
Oct. 1 and Dec. 31 July 1 and Dec. 31 and this year between Jan. 1 and June 30

In order to be monetarily eligible, a claimant must be paid a minimum of \$1,600 during the base period with at least \$440 of that amount being paid outside the highest calendar quarter.

If you have been awarded temporary total disability benefits under a workers' compensation act or other similar acts, or if you only have worked within the last few months, your base period may be determined differently. Contact your local IDES office for more information.

REPORTING TIPS

Each employee who receives tips must report these tips to employers on a written statement or on Form UC-51, "Employee's Report of Tips," in duplicate. Employers can furnish this form on request. The report shall be submitted on the day the wages are paid, or not later than the next payday, and shall include the amount of tips received during the pay period.

TAXATION OF BENEFITS

Unemployment insurance benefits are taxable if you are required to file a state or federal income tax return. You may choose to have federal and/or Illinois state income tax withheld from your weekly benefits. Since benefits are not subject to mandatory income tax withholding, if you do not choose to withhold, you may be required to make estimated tax payments using Internal Revenue Service Form 1040 ES and Illinois Department of Revenue Form IL 1040 ES.

For additional information, call these toll-free numbers:
Internal Revenue Service 1-800-829-1040
Illinois Department of Revenue 1-800-732-8866.

This poster fulfills all posting requirements for the Illinois Department of Employment Security.

ISERRA

YOUR RIGHTS UNDER THE ILLINOIS SERVICE MEMBER EMPLOYMENT & REEMPLOYMENT RIGHTS ACT (330 ILCS 61)

ISERRA (Illinois version of USERRA) protects the employment and benefits of service members who leave their civilian employment to serve our Nation or State.

In order to protect the common public interest in military service, it is the role of the Illinois Attorney General to promote awareness and ensure compliance with ISERRA by providing information, training, advocacy, and enforcement.

WHO IS PROTECTED?

- All members of the Armed Forces of the United States whether active duty or reserve, including the National Guard when performing State duty.
- All members of Military Auxiliary Radio System, United States Coast Guard Reserve, Civil Air Patrol, and the Merchant Marines when performing official duties in support of an emergency.
- Members who are released from military duty with follow-on care by the Department of Defense.

WHAT ARE THE RIGHTS, BENEFITS AND OBLIGATIONS UNDER ISERRA?

ISERRA provides the same protections as USERRA (i.e., reemployment, benefits and discrimination) but expands protections to persons identified above and incorporates existing benefits to service members who are public employees. Because ISERRA represents the minimum employer requirements, employers maintain the right to provide greater benefits at their discretion.

WHO ENFORCES ISERRA?

The ISERRA Advocate is an Assistant Attorney General appointed by the Illinois Attorney General to provide both advocacy and enforcement under ISERRA.

WHERE TO FIND MORE INFORMATION?

Both service members and employers can find more information on the Attorney General's ISERRA Advocate webpage at www.illinoisattorneygeneral.gov/rights/veterans.html or call the Military & Veterans Rights Helpline at 1-800-382-3000 to ask questions or request training.

This notice is available for download on the Attorney General's website by going to www.illinoisattorneygeneral.gov/rights/veterans.html. Employers are required to provide employees entitled to rights and benefits under ISERRA a notice of the rights, benefits, and obligations of service member employees. This requirement may be met by the posting of this notice where employers customarily place notices for employees. ISERRA is codified as Public Act 100-1101 and can be found at www.liga.gov/legislation/publicacts/100/PDF/100-1101.pdf.
